CONVENTION COMMITTEES OF THE AD. CLUB

The Honolulu Ad Club is taking time by the forelock in preparing for the great Civic Convention which will be held at Lihue September 26 and 27. It is already making bookings for the trip to Kauai and its list, together with the delegates from the Honolulu Chamber of Commerce, Trail & Mountain Club and Promotion Committee will probably complete one of the largest excursions of business men that ever left Honolulu. Following is a letter from the chairman of the general committee, addressed to the secretary of the Kauai Chamber of Commerce:

"Your letter of July 24th addressed to Mr. J. D. Levenson in re Honolulu Ad Club's desire to provide for ladies to the coming Civic Convention was read at the last Ad Club meeting. The Honolulu Ad Club's committee appreciates fully the difficulty of providing for ladies and it is not our purpose to embarrass your Committee by putting our wishes in the form of a request. Of course we feel that ladies will add much to the success of the Convention and we believe that if ladies can be provided for at all future conventions it will do much to perpetuate the convention idea.

"The Honolulu Ad Club's Committee realizes the importance of the coming civic convention and we are not waiting until the last minute to make our plans. Mr. J. F. Childs has been appointed chairman of the committee of transportation and will look after the details and plans, issuing tickets to Ad Club members and seeing that delegates are properly provided for. Mr. J. Mort Riggs is chairman of the stunts committee, who will work in conjunction with Harry L. Strange, E. W. P. St. George and others in arranging startling high jinks for the edification and discomfort of the residents of Kauai. Tom Sharp is chairman of the music committee. Mr. A. E. Larimer is chairman of the badge committee. Mr. J. D. Levenson is chairman of publicity committee. The writer is chairman of the general committee and pledges thorough-going activity. Seldom does the Honolulu Ad Club assemble so strong a committee of active workers as the one appointed for this year's Civic Convention and you may take it as indicative of the importance we give to the big event this year.

"With best wishes for success, I am,

"Yours very truly,

"CHAS. R. FRAZIER

"Chairman of Honolulu Ad Club's Civic Convention Committee."
